

PRISM MEDICAL UK

Moving, Handling and Bathing Solutions™

Prism Medical UK has announced that it has completed the acquisition of Movement 2 .

Movement 2 are a Leicester based moving and handling company offering assessment , supply, installation, service and repair of ceiling track hoists and bathing products. The former owners and key management staff have entered into employment contracts with Prism Medical UK and will continue to be responsible for the day to day operations.

Prism Medical UK is the UK subsidiary of Canadian based Prism Medical Ltd. Prism are providers of specialist equipment for the safe moving, handling and bathing of the mobility disadvantaged within their homes, long term care or acute care environments.

In the UK Prism currently employs over 250 staff based across 6 sites providing services to customers around the country. New product development and manufacturing is carried out at 2 of the sites. Existing Prism Medical UK Divisions include:

APLS CAREEREE FREEWAY LIFTECH SALUSS TEST VALLEY WESTHOLME

The acquisition will strengthen Prism Medical UK's existing business in the Midlands and further enhance its ability to service customers across the whole of the UK.

Simon Halliday, Chief Operating Officer in the UK stated that '*Movement 2's employees are focussed on providing high levels of service and value to its customers which makes it a natural fit with our way of doing business at Prism*'.

Prism Medical UK is a registered Trade Mark and trading name of Prism UK Medical Ltd
